RESEARCH & PROJECT EXPERIENCE

Academic Conference: *China-America Southeast Asian Studies Youth Exchange Program* (Sun Yat-sen University)

Roundtable Presenter & Malaysia Delegate, Model ASEAN Summit *Aug 2026*

- **Digital Transition Research:** Analyzed energy and resource-equity implications of SE Asia's digital transformation; delivered an English presentation on Johor's data-center expansion and inclusive development.
- **Policy Negotiation:** Represented Malaysia to co-develop National Statements and Position Papers addressing the ASEAN Digital Economy Framework Agreement (DEFA) and regional AI cooperation.
- **Consensus Building:** Negotiated provisions for the Chair's Statement concerning cybersecurity and cross-border anti-fraud mechanisms; recognized as an "Outstanding Participant" by Sun Yat-sen University.

International Organizations and Global Governance Program (University of Cambridge)

Presenter & Lead Researcher *Aug 2025*

- **Global Justice Research:** Analyzed how international organizations influence global justice through rule-making, resource allocation, and accountability mechanisms, focusing on human rights, economic equity, and climate justice, and examining FAO's agricultural initiatives in South Sudan and Somalia as cases.
- **Global Financial Crisis Research:** Applied moral-hazard, asset-bubble, and cross-border capital-flow frameworks to compare the 1997 Thai financial crisis, the 2008 U.S. subprime mortgage crisis, and China's real-estate credit expansion.
- **Research Outputs:** Led a team in completing two research reports, "International Organizations and Global Justice" and "Financial Crises: Patterns and Lessons," integrating theoretical analysis with cross-national case studies.

National Innovation Project: *Rural Cultural Heritage Preservation and Digital Development*

Lead, Operation Team *Sep 2024– Feb 2025*

- **Field Research**: Led a multi-disciplinary team to Ruyuan Yao Autonomous County; conducted 200+ interviews on the preservation of intangible cultural heritage and local economic development.
- **Digital Empowerment**: Applied digital-marketing and e-commerce approaches to ethnic handicrafts, exploring how digital platforms could expand market access for traditional cultural products.
- **Awards**: Silver (Entrepreneurship) & Bronze Award (Academic) in the "Challenge Cup" GDUFS Competition.

INTERNSHIP EXPERIENCE

NetEase Youdao *Sep 2026 – Present*

Government Affairs Intern

- **Policy Analysis:** Track national and provincial AI policy frameworks (e.g., MIIT directives on AI service providers), conducting policy impact assessments to guide compliance and strategic business alignment for enterprise AI products.
- **"AI+" Project Proposals:** Draft strategic application proposals for national initiatives (e.g., Internet Society of China "AI+" Cases) across flagship products (Youdao AI Earphones, Digital Industrial Base), consolidating corporate IP, patents, and technical qualifications.
- **Governance Risk & Regulatory Complaint Audit:** Monitor daily user dispute ledgers and municipal regulatory feedback across Guangzhou and Hangzhou, mitigating compliance risks and ensuring enterprise alignment with local governance standards.

Secretariat of Guangzhou International Award for Urban Innovation *May 2026 – Aug 2026*

International Communication Intern

- **Media Matrix Operations:** Spearheaded cross-cultural content curation across international and domestic channels (Instagram, Facebook, X, WeChat, Weibo); authored 6 bilingual press releases, 10 social posts, 3 interview outlines, 3 promo videos, and 1 media report to boost global visibility for municipal policy innovations.
- **Event Publicity & Stakeholder Coordination:** Executed strategic publicity for the 7th Guangzhou Award International Conference; drove cross-border outreach with multilateral partners and global media outlets to facilitate high-level city-to-city knowledge transfer and policy learning.
- **Urban Policy Analysis:** Examined global urban governance case studies, translating municipal sustainability initiatives into analytical frameworks aligned with the UN Sustainable Development Goals (SDGs) and the New Urban Agenda to advance local-to-global policy diffusion.

CEPREI, Ministry of Industry and Information Technology *Jan 2026 – Feb 2026*

Public Affairs & Corporate Communications Intern

- **Event Operations**: Co-managed the planning and execution of large-scale organizational cultural events; directed cross-departmental logistics, vendor negotiations, and run-of-show protocols to ensure seamless operations for 300+ stakeholders.
- **Policy Communications**: Drafted strategic communications and thematic analytical feature articles on major national economic/governance policy frameworks; optimized public message dissemination across internal and digital media channels.
- **Data Management**: Maintained and updated the centralized institutional database for 500+ personnel records; standardized multi-year policy documentation and compliance files to enhance organizational data integrity.

Southern Finance Omnimedia Group *Aug 2025 – Nov 2025*

International Communication Intern

- **Cross-Border Economic Analysis & Media Production:** Co-authored a front-page analytical report published in the 21st Century Business Herald on Chinese EV expansion in Latin America; curated content for the "Vibrant Streets of Thailand" and "Chinese Auto Global Expansion" series, producing videos and interview frameworks to analyze cross-cultural socio-economic dynamics.
- **Global Influencer Collaboration:** Conducted audience analytics and engagement potential evaluations for Southeast Asian Key Opinion Leaders (KOLs) across TikTok and Instagram for the "ASEAN Trends" initiative, establishing strategic outreach channels to enhance digital economy.
- **International Community Governance:** Founded and managed an international student network of 50+ members, organizing cross-cultural exchange forums and digital economy workshops to foster regional knowledge sharing and grassroots connectivity across Southeast Asia.
